## Ejournal User Agreement

Version 2.02 9/24/13

The following guidelines provide Corporate/Library Subscribers with a set of simple, commonsense rules governing rights and limitations for Internet access of online versions of Weston Medical Publishing, LLC (Publisher's) ejournals ("ejournals") by Authorized Users. These guidelines supersede any prior understanding between the Publisher and the Corporate/Library Subscriber regarding user access to ejournals.

Access to Weston Medical Publishing, LLC ejournals is granted for all Authorized Users on the following conditions:

- Publisher's acceptance of the Corporate/Library Subscriber's completed order
- Receipt of the required subscription fee
- Receipt of list of Corporate/Library Subscriber's IP addresses, if applicable

**Authorized Users:** "Authorized Users" are authenticated, authorized current full and part time students, employees (including faculty, staff, affiliated researchers and approved contractors), and other individuals who have permission to use the public computers on an Corporate/Library Subscriber's geographically constrained site. A "site" is an organizational unit, and may be academic or nonacademic. For organizations located in more than one city, each city office is considered a different site. For organizations within the same city that are administered independently, each office is considered a different site.

**IP Access Consolidation:** Corporate/Library subscribers using a single IP address (range) to access subscriptions and/or centrally administering their library resources for multiple campus (physical) locations are required to notify Weston Medical Publishing, LLC when subscribing to electronic journal content. Such Corporate/Libraries may be required to pay multi-site access fees and/or subscription surcharges based on their number of campus sites and FTEs (subscriber base) at each location.

In consideration of the payment of the appropriate subscription fee, the Corporate/Library Subscriber and the Publisher agree to adhere to the following guidelines:

1. The Corporate/Library Subscriber will undertake all necessary authentication and verification processes to ensure that only Authorized Users can access the ejournals.
2. The Publisher maintains the ejournals as a service to its members and the scientific/technical/ medical community. The Publisher holds the copyright for all works published in the ejournals, as a compilation and as to the individual articles, collectively and individually, unless otherwise expressly noted.
3. All use of the ejournal content is subject to applicable Copyright law and reproduction of ejournal content is allowed only as follows:
  - a. **Downloading:** Downloading, printing, or saving of content for personal, non-commercial use is permissible. Systematic downloading is forbidden.
  - b. **Commercial Redistribution:** No commercial use (e.g. downloading, posting of a file, or printing to resell or distribute) of any articles is permitted without prior, express written permission of the Publisher.

[<http://old.cni.org/docs/infopols/CONTU.html>] Interlibrary Loans to reprint services must be referred to Copyright Clearance Center for collection of royalties.

  - c) The Corporate/Library Subscriber agrees not to remove, cover, overlay, obscure, block, or change any copyright notices, legends, or terms of use which the Publisher may post on the site in order to inform users about system features, terms of use, or copyright notices.

7. **WARRANTY**: While the Publisher seeks to ensure the accuracy of content posted online, the Publisher **DOES NOT WARRANT OR GUARANTEE ITS ACCURACY, COMPLETENESS, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE. IN NO CASE SHALL THE PUBLISHER LIABILITY FOR ANY CONTENT OR ACCESSIBILITY PROBLEMS WITH THE SITE EXCEED THE AMOUNT OF SUBSCRIPTION FEES PAID FOR THE JOURNAL(S) DURING THE 6-MONTH PERIOD PRECEDING ANY CLAIM OR NOTICE OF DAMAGES.**
